**Report of the Chair of the Committee of Permanent
Representatives to the United Nations Habitat Assembly at its
second session**

I. Background

1. On 20 December 2018, the General Assembly of the United Nations in resolution [73/239](#) decided to dissolve the Governing Council of the United Nations Human Settlements Programme (UN-Habitat) and to replace it with a United Nations Habitat Assembly (UN-Habitat Assembly), composed of universal membership.
2. In resolution [73/239](#), the [General Assembly](#) welcomed the work of the Open-ended Working Group established by the Chair of the Committee of Permanent Representatives to UN-Habitat pursuant to General Assembly resolution [72/226](#) of 20 December 2018, and endorsed its findings and recommendations on changing the governance structure of UN-Habitat ([A/73/726](#)), including that the Committee of Permanent Representatives convene, in an open-ended manner, twice every four years, once prior to the UN-Habitat Assembly, in preparation for that session, and once for a high-level midterm review.
3. In the same resolution, the General Assembly decided that the first session of the UN-Habitat Assembly would be held in May 2019, building upon the preparations already carried out for the twenty-seventh session of the Governing Council.
4. The General Assembly also decided that the Committee of Permanent Representatives to UN-Habitat would prepare draft rules of procedure for the UN-Habitat Assembly, to be completed no later than April or May 2019, with a view to their adoption at the first session of the UN-Habitat Assembly.
5. Accordingly, at the first session of the UN-Habitat Assembly, held in Nairobi from 27 to 31 May 2019, the Assembly adopted its rules of procedure ([HSP/HA.1/HLS.2, annex](#)), providing, in rule 23, for the Committee of Permanent Representatives to convene, in an open-ended manner, twice every four years, once prior to the UN-Habitat Assembly, in preparation for that session, and once for a high-level midterm review. Also at the first session, the Bureau of the Committee of Permanent Representatives was elected, on an exceptional basis, to serve until the end of the high-level midterm review meeting of the Committee, to be held in 2021. Eritrea was elected as Chair; Bangladesh, Costa Rica and Serbia as Vice-Chairs; while the position of rapporteur remained vacant.

* HSP/HA.2/1.

6. The first open-ended meeting of the Committee of Permanent Representatives was held in Nairobi from 29 June to 1 July 2021, for a high-level midterm review, and the second open-ended meeting, at which the Committee is to prepare for the second session of the UN-Habitat Assembly, will convene from 29 to 31 May and on 2 June 2023, immediately prior to the second session of the UN-Habitat Assembly, in line with resolution 73/239 and rule 23 of the rules of procedure of the Assembly.

II. Progress made by the Committee of Permanent Representatives

First open-ended meeting of the Committee of Permanent Representatives

The Committee also encouraged the Executive Director to support the preparation of voluntary local reviews by local and regional governments through normative guidance and technical assistance, upon request, and by building connections with voluntary national reviews, as appropriate.
