

UNIVERSITY OF SHEFFIELD

DEPARTMENT OF URBAN STUDIES AND PLANNING

Module:	TRP105
Title:	The Environmental Challenge
Credit Value:	10
Level:	1
Semester:	Spring 2019
Module Coordinator:	Dr Liz Sharp
Document:	ASSESSMENT BRIEFING

Assessment for this module has two components:

(1) Seminar component – GROUP WORK: (carried out in groups, apx. 300 words for each report). You are required to work in your seminar groups to summarise your conclusions from each seminar. Hand in will be soon after the seminar.

(1) A report: 1500 words (70%) this individual report will address actions to adapt or mitigate to climate change in a location of your choice.
